

# MOVING FORWARD, TOGETHER

As we take steps forward to move through and out of the COVID-19 pandemic, we ask you to continue partnering with all members and staff in the following ways.

---

If vaccinated, you are no longer required to wear your mask indoors or outdoors. Please wear your mask when entering and exiting the building and in shared common spaces, out of respect for other members, students, or program participants that are not yet able to be vaccinated.

If you are not vaccinated, please continue to wear your mask throughout the building.

Please wash your hands frequently. When handwashing is not possible, hand sanitizing stations are available throughout the building for your convenience.

We continue to follow increased cleaning and sanitizing protocols.
