

THE HEALTH & SAFETY OF OUR COMMUNITY IS OUR TOP PRIORITY

We are taking the following precautions. We appreciate your partnership in keeping our community safe.

Social Distancing

Guides are provided to help our members maintain at least 6 feet of physical distance inside the building.

Mask

Face coverings are required by everyone over age 2 while in the Leventhal-Sidman JCC. Alternative mask-wearing protocols may be in place for children participating in specific JCC programs.

Check In

Everyone, including all staff, entering the building must abide by our daily check-in process, which includes completing a health screening.

Handwashing

Everyone is encouraged to frequently wash their hands throughout the day. When hand washing is not possible, additional hand sanitizing stations have been added throughout the building for your convenience.

Enhanced Cleaning Measures

We have increased our cleaning and sanitizing protocols to meet or exceed public health guidelines.
