* indicates advanced or focused classes.
Balance and Strength
Incorporates exercise to improve balance, core stability and full body strength.

Barre Fusion
Total body workout utilizing the ballet barre and yoga fundamentals to lengthen, tone and sculpt muscles, improving strength, flexibility and posture. Practiced both at the barre and on the floor. No dance experience required.

Basic Tai Chi Movement
Incorporates moving meditation while developing structural muscles for a mind and body connection. Tai Chi will enhance overall physicality for sports and everyday activities. All levels welcome.

Bellydance
Shake, twist and shimmy in this dynamic class! Class incorporates posture, muscle isolation, flexibility and easy to follow combinations.

BOSU® Bootcamp
Use the BOSU ball to challenge your core and heart while improving balance, stability and muscle strength.

Cardio Sculpt
Build strength and endurance in this high intensity interval workout consisting of cardio/muscle conditioning drills using a variety of equipment including the STEP, dumbbells, resistance bands and more.

Core Yoga
Slow flowing practice that requires both mental and physical focus to build core strength, whole body agility and vigor. Incorporates pranayama (breath work) and asana (alignment) together for participants to apply on and off the mat.

Cycle
Stationary cycling workout that simulates the riding positions used on real road racing bikes. Participants bike to the beat and transform the energy from the music into powerful pedal strokes.

Cycle Sculpt
Cycle class incorporating light dumbbells and exercises to improve muscle endurance, strength and tone.

Forever Fit
Low intensity workout designed for active older adults incorporating low impact aerobics, weight training, balance work and exercises to increase mobility.

Hatha Yoga
Focuses on breath awareness and gentle stretching to prepare the body and mind for a nurturing yoga practice. Incorporates yoga postures while linking movement and breath to improve flexibility, strength and balance, ending with relaxation and meditation.

Interval Challenge
Maximize your workout with this high intensity interval workout incorporating cardio, core stability, plyometric exercise, strength training and more. All levels welcome.

Mat Pilates
A holistic approach to total body conditioning. Emphasizes mind and breath for the execution of controlled and concentrated movements.

Modern Yoga
Combines basic traditional yoga poses with anatomy, kinetic function and the mind & body connection. Practiced at a slow to moderate pace; emphasizing modifications for strength, flexibility and mobility. No prior knowledge needed. Participants are encouraged to practice at their own level.

Move and Meditate
Explore a variety of active meditation techniques drawn from eastern spiritual traditions and modern mindfulness-based stress reduction exercises. Begins with gentle and restorative stretching to relax the body and mind.

Muscle-Up
Full-body strength training workout to build muscle strength, endurance and flexibility.

POUND® Rockout. Workout
Using lightly weighted “drumsticks” called Ripstix, fuses Pilates, isometric movements and plyometrics with constant simulated drumming to sculpt muscle and burn calories. Ripstix provided during class. Limit 25 participants.

Power Sculpt
Combining high intensity cardio & resistance training with yoga asana (movement) & breath, ignite your inner fire as you work to build strength, stamina and flexibility fueled by electrifying music with this full body workout. All levels welcome.

Restorative Yoga
A deeply calming yoga class that is rejuvenating for muscles and joints. Incorporates bolsters and blocks to support the body in restful positions, meditation and breathing techniques.

Shake Your Soul®
Inspired by yoga, Qi Kung, modern & African dance, and body-mind centering, a fun and joyful movement practice set to music from all over the world for people of all ages and levels of dance. Increases strength, balance and flexibility while relaxing the nervous system, energizing the body and awakening the soul.

Slow Flow Ashtanga
This dynamic practice synchronizes breath and movement. Work to calm the mind while moving through a set sequence of postures to strengthen the core muscle groups and improve flexibility.

Strength & Structure
A dynamic Vinyasa Flow yoga class that challenges the mind and body, focusing on pose alignment and full-body strength. This “all levels” class caters to the yogi looking to deepen their yoga practice with the opportunity to explore a variety of pose and movement progressions.

Tabata Intervals
Full body workout incorporating twenty seconds of very high intensity exercise with ten seconds of rest. Includes strength, core and cardio training.
