GROUP FITNESS CLASS DESCRIPTIONS

Align & Flow: Slow to moderate-paced yoga class for beginners and yogis wanting to improve his/her yoga practice. Attention to pose alignment (asana), breath work (pranayama), and movement w/ purpose (vinyasa) will be provided.

Balance & Strength: 30-minute class incorporating exercise to improve balance, core stability and full body strength.

Barre Fusion - Total body workout, utilizing the ballet barre and yoga fundamentals to lengthen, tone & sculpt muscles, improving strength, flexibility & posture. Practiced both at the barre and on the floor. No dance experience required.

Basic Tai Chi Movement: Learn the basic foundations of Tai Chi practice. Incorporates moving meditation while developing structural muscles for a mind/body connection. Tai Chi will enhance overall physicality for sports and every day activities. All levels welcome.

Bellydance: Shake, twist and shimmy in this dynamic class! Class incorporates posture, muscle isolation, flexibility, and easy to follow combinations.

Cardio Sculpt: Build strength and endurance in this cohesive, high intensity, functionally challenging interval workout consisting of cardio/step drills and muscle conditioning using weights followed by ab/core work.

Core: Using a variety of exercise equipment including BOSU® balls and Gliders, challenge your core muscles and more with this full body, fast & effective workout.

Core Yoga: Slow flowing practice that requires both mental and physical focus, building core strength, whole body agility and vigor. Incorporates Pranayama (breath work) and asana together for participants to apply on and off the mat.

Cycle: Stationary cycling workout that simulates the riding positions used on real road racing bikes. Participants follow the beat of music, and transform the energy from the music into powerful pedal strokes.

Cycle Sculpt: Cycle class incorporating light dumbbells and exercises to improve muscle endurance, strength and tone.

Forever Fit: This class is designed for the older adult and combines low impact aerobics with stretching, weight training and balance work.

Hatha Yoga: Focuses on breath awareness and gentle stretching to prepare the body/mind for a nurturing yoga practice. Incorporates yoga postures while linking movement to breath to improve flexibility, strength and balance ending with relaxation and meditation.

Interval Challenge: Maximize your workout results with Interval Challenge! Intensity and formats during class will vary for a full body workout including Cardio, Core Stability, Plyometrics, Strength Training and more. All levels welcome.

Modern Yoga: Combines basic traditional yoga poses with today's knowledge of anatomy, kinetic function and the mind/body connection. Practiced at a slow to moderate pace, this format emphasizes the use of modifications to suit individual practitioner needs to achieve balance of strength, flexibility and mobility.

Move and Meditate: Explore a variety of active meditation techniques drawn from Eastern spiritual traditions and modern Mindfulness-Based Stress Reduction exercises. Begins with gentle/restorative stretching to relax the body and mind.

Muscle-Up: Full-body strength training workout to build muscle strength, endurance and flexibility.

NIA (Neuromuscular Integrated Action): A fun cardiovascular workout incorporating dance, martial arts and healing arts to inspiring music. Great for the mind and body.

Pilates: A holistic approach to total body conditioning emphasizing the mind and the breath for the execution of controlled and concentrated movements.

POUND Rockout.Workout.®: Use lightly weighted "drumsticks" called Ripstix, fuses Pilates, isometric movements, and plyometrics with constant simulated drumming to sculpt muscle and burn calories. Ripstix provided during class. Limit 25 participants.

Restorative Yoga: A deeply calming yoga class that is rejuvenating for muscles and joints. Bolsters and/or blocks may be used to support the body in restful positions combined with meditation and breathing techniques, to help find balance in mind, body and spirit.

Slow Flow Ashtanga: This dynamic practice synchronizes breath and movement. Work to calm the mind while moving through a set sequence of postures to strengthen the core muscle groups and improve flexibility.

Strength & Structure: A dynamic "Vinyasa Flow" yoga class that challenges the mind & body, focusing on pose alignment and full-body strength. This "all levels" class caters to the yogi looking to deepen his/her yoga practice with opportunity to explore a variety of pose/movement progressions.

Tabata Intervals: Full body workout incorporating 20 seconds of very high intensity exercise with 10 seconds of rest. Includes strength, core and cardio training.

Turbo Kick: Kick, punch and jump for an incredible full-body workout. Learn many different martial arts moves.

20/20/20: 20 minutes of low impact aerobics/20 minutes of muscle strengthening/ 20 minutes of stretching.

Yin Yoga - Improving range of motion and joint circulation, incorporates a series of long held passive floor poses achieving connective tissue revitalization.

Yoga/Gentle Yoga: Tones the whole body and will bring you greater strength, stamina, flexibility, structural alignment, balance and most importantly, will help you to stay relaxed.

Zumba: A fusion of Latin and International music dance themes creating a dynamic, exciting, effective fitness system! Zumba is a hip swingin', body pumpin', booty shakin' fun way to get a total body workout.
