Dear Camp Family:

Today is Super Hero Day and I nominate all of our wonderful staff members to be honorary super heroes for their amazing work with campers! The specialists, counselors, and senior staff have all been doing an incredible job connecting with campers and supporting one another. They are patient, nurturing, creative, and listen so well. And today’s Staff Talent Show showed just how fun and talented they are, too. Thank you, Staff!!

Campers are learning to problem-solve, make great friends, and appreciate each other. In addition, daily noontime performances include budding singers, joke tellers and gymnasts. Campers are working hard at their swim lessons, sports and games, drama and art. Extended day often includes fanciful building projects and quiet read-alouds.

With just two more weeks of camp, we say goodbye to many campers today. And we look forward to our last group of incoming campers on Monday.

Our final week, August 15-19, is full of performances and the Art Show. We hope to see lots of family members at the shows— and former campers are welcome, too.

Stay cool this weekend!

Shabbat shalom,
- Betty Lehrman
