

# Manischewitz Slushies

## Ingredients:

- 1, 750 ml bottle Manischewitz wine
- 2 cups frozen mixed berries
- ½ cup basil leaves, plus more for garnish

## Instructions:

1. Place the wine and berries in a blender or large food processor and blend until smooth
2. Add basil leaves and blend until smooth. Strain through a large strainer into a wide, shallow freezable container
3. Freeze for at least one hour, and then break apart with a spoon
4. Serve in wine glasses with fruit garnishes and basil
