Create Your Own Seder Plate

Materials
- Glass or plastic plate
- White doily
- Passover seder plate stickers or make/color your own
- Tissue paper
- Mod Podge® (white glue)
- Inexpensive paint brush

Instructions
1. Place the seder plate symbols on the white doily
2. Using a brush, paint the back side of the glass plate with mod podge
3. Place the doily with the stickers upside down on the gluey plate
   **Note:** the stickers will show through the front of the plate
4. Use more mod podge to glue to doily to the plate
5. Use mod podge to glue colorful tissue paper to the back of the plate
6. Place tissue paper all over the plate, including the doily, or just on the area outside of the doily
7. Use more mod podge to thoroughly seal the tissue paper to the surface
8. Let the plate dry completely before using

Enjoy your seder plate! After your seder, do not wash the back side of the plate. Wipe the front side clean.
