Tu B'Shevat Tree Craft

Celebrate Tu B'Shevat, the Jewish Birthday of the Trees, with this easy and fun craft project.

Materials:

- Wallpaper sample, brown paper bag or brown construction paper
- Green tissue paper
- Red buttons
- White cardboard
- Pencil/scissors
- Glue

Directions:

- Begin by tracing your child's hand and forearm (photo shows wall paper samples that look like wood)
- The tracing becomes the trunk and branches of the tree; glue onto the white cardboard background
- Crumple up squares of green tissue paper to form the leaves of the trees and glue on red buttons for apples
- Add coloring to the background or use different color tissue paper or buttons to make it your own!
